NET ART 95

Internet art is art that is distributed and primarily found on the internet, and is often multimedia-based.

Net Art can be made in a variety of forms including streaming audio or video, software-based projects, E-mail projects, among others.

Some Common names for Internet Art are net-based art, net art, Net.Art, Web art, and network art.

Critic Rachel Greene credits Vuk Cosic, Jodi, Alexei Shulgin, Heath Bunting, Shu Lea Cheang, VNS Matrix, and Olia Lialina as early experimenters of net art.

As the art form develops, it's history is also updated, Critic Josephine Bosma sites that there are five generatinos of Internet art with original pre connected art being referred to as Networked Art.

The emergence of social networking platforms, and the lists and systems createc by them, marked a shift in the sharing of Internet Art.
